Carrie,

I believe the article Madeline references is this one (but maybe not) that includes an EPA statement.

You should also be aware of a letter sent from Senator's Roberts and Inhofe to OIG on Monday also attached.

I will be checking in with a few folks related to our response to Madeline.

Thank you,

Peter

Hello,

We saw an article stating that EPA had reversed its opinion on grant funding for What's Upstream. Please provide us with a copy of EPA's statement and advise what the Region plans to do regarding the grant. We appreciate your time.

Thanks!
Madeline
